Gift Giving Outside the Box!

December 1st, 2009, Blue Mountains, ON - Give the gift someone will always remember. Scandinave Spa™ Blue Mountain offers experience-based gift ideas. Gifts of relaxation begin with the renowned Scandinavian Baths starting at \$45/person. The unique Baths, enjoyed year-round, include outdoor Hot Baths & Thermal Waterfall, Cold Plunges & Nordic Waterfall, Finnish wood-burning Sauna, Eucalyptus Steam Room, Solaria & areas for relaxation including outdoor fireplaces.

Mylisa Henderson, Director of Marketing & Sales says every holiday season more gift cards are purchased for men or couples. "Many people purchase gift packages for a couple to come & experience the Spa for the day. We are not an aesthetic spa so men are totally comfortable enjoying the Baths for the day or getting a massage in our rustic, natural setting."

Some other packages offered at Scandinave Spa™ Blue Mountain include the Scandinavian Baths and a healthy lunch at the Spa Bistro starting at only \$59/person. Or if you are looking to purchase an ultimate escape, buy a 60 minute Registered Swedish Massage treatment which includes access to the Baths. These packages start at \$117/person.

Gift cards are available online at www.ScandinaveBlue.com or by calling (705) 443-8484. Scandinave Spa Blue Mountain is open daily from 10am-9pm. Guests must be 19+ yrs old.
