Before panic sets in, smile and relax: Scandinave Spa Whistler has the ideal gift solution. Whistler's newest Nordic-style spa has created a variety of soothing gift packages to make the stresses of a busy holiday season melt away.

Scandinave Spa Whistler is the first spa of its kind on the west coast of Canada. Using the age-old Finnish tradition of hydrotherapy, Scandinave Spa Whistler creates a spa experience that generates a sense of wellbeing. Nestled on the edge of Lost Lake and Spruce Grove parks, only a few minutes from Whistler Village, the baths are surrounded by the natural beauty of Whistler. The baths experience includes eucalyptus steam baths, wood burning Finnish saunas, outdoor hot baths, thermal and Nordic waterfalls, cold baths and showers, solariums and terraces, relaxation areas, hammocks and outdoor fireplaces. The spa also offers massages such as Swedish, Sports, Hot Stone and Thai Yoga to complement the baths experience.

The Scandinave Spa has a range of packages that will cleanse, calm and rejuvenate. From the Authentic Package to the Vitality Duo Package, treat your loved ones to some relaxation, whether you opt for great value or a splurge.
